

Skyline COVID 19 Task Force: Sixth Report: September 11, 2021

Skyline Church is currently offering Discovery Time Kids education and Adult education at 9:00 am in person, and Sunday Worship at 10:00 am in person and online via zoom.

Skyline remains committed to the health and safety of our faith community during the ongoing Covid pandemic. We monitor the guidance from the Delaware Department of Public Health and the Governor's office carefully.

Skyline is practicing love of neighbor by asking all persons inside our church, regardless of vaccination status, to wear masks. We also will practice social distancing. Zoom worship is also available for those wishing to participate from home.

Please be in prayer for the safety of our community members, as well as our surrounding community as this pandemic continues. We hope our love of neighbor practices will assure visitors of their safety as we welcome them to worship with us. We trust in the power of the Holy Spirit to keep us united and spiritually connected during this time.
