Our Advent mission will be to share out of our abundance with the hungry and homeless. Each week during the worship service we will raise awareness about hunger around the world; and a way to address that from our efforts! Please consider making a donation to Skyline Church for this effort. In the memo write "Rise against hunger" and 100% of your donation will go to this cause. We will use this to provide meals for more than 10000 families! Check out the bulletin board for information about Go Bags! While we will plan to formally accept all the gifts for Go Bags during the Christmas Eve service (our gift to the Christ Child) we will be accepting gifts all throughout December.

Plan to attend the meal packaging event March 29, 2020!

Another thing you can do is help us prepare "go bags" for people experiencing homelessness. On Christmas Eve, we will bring the supplies needed to make these bags, and present them to the Christ Child.

From Ruthann: "One year, I made "go bags" for each of our children using the items they love that matched the items requested. For example, a protein is listed so I bought sardines, as Ivan III loves them, and peanut butter crackers, as Abbey loves them. Each of our kids knew one of their Christmas gifts then was a gift given to one in need."

**Please consider how you can share the
Love of Christ with our world this Advent!**
